Subject: **FY 2001-2002 4<sup>th</sup> QUARTER REPORT OF COUNTY UNISYS  
AGREEMENTS/WORK ORDERS**

On February 20, 2001, your Board directed the Chief Information Office to produce quarterly reports of all Unisys agreements. Attached is the 4<sup>th</sup> Quarter report for Fiscal Year 2001-2002 and represents our sixth quarterly report to your Board. As stated in our 3<sup>rd</sup> Quarter report, this office now prepares a consolidated report that includes performance status for the Internal Services Department. This report reflects the status of Unisys agreements and contractor performance. Systematic issues are not reported, but may be submitted to your Board by the respective Department.

In the 4<sup>th</sup> Quarter, there were two (2) outstanding agreements; Internal Services Department and the Department of Public Social Services. Both departments report their satisfaction with the contractor's performance and compliance with the terms of their agreement.

We will continue to report to you the status of existing and future Unisys agreements on a semi-annual basis. Our next report will be submitted January 2003, and will cover the semi-annual period of July 2002 through December 2002.

If you have questions or require additional information regarding these agreements, please contact Jonathan Williams of my staff at (213) 974-2080.
